### **Sinéad & Andrew – 3<sup>rd</sup> June 2016**

I can't put into words how utterly amazing Gillian O'Mahony was in helping us create our dream day at The Ambassador Hotel and to all of her team on the day who all worked together and made it all go so perfectly! We attended the hotel's wedding fair a year prior to our wedding and this was the first time we had been back to the Ambassador since it's refurbishment and we were so impressed.

The whole hotel from top to bottom is beautifully presented, the bar/restaurant rooms were all excellent and the Belleview suite for the wedding reception was exquisitely laid out, so much so that we took photos and sent them to Gillian afterwards asking for this level of presentation to be repeated on our wedding day which it of course was, in addition to our personal touches which we requested all which Gillian kindly did, proving her thoughtful attention to detail. We both live in England so we were only able to get back a couple of times to meet with Gillian to run through everything. Each time she went out of her way to organise everything perfectly for us and she always replied so speedily to every email I sent which helped me feel so confident in her abilities to make sure our day would be everything we dreamed it would be.

Our food tasting was out of this world and we only wanted some slight tweaks to it, which the lovely head chef who came and spoke with us in person completely adhered to. We also asked for a couple of things that they didn't offer on the menu and which Gillian sourced for us and made happen which we were so grateful for!

The hotel is perfectly set on the hillside overlooking the beautiful city of Cork, this offered fantastic photo opportunities for our wedding which we will cherish forever. Honestly have your wedding at The Ambassador Hotel as the staff really do go out of their way to make it the day of your dreams. I couldn't fault anything they did, we felt so supported throughout the whole process.

### **Tara & Anthony – 2<sup>nd</sup> June 2016**

We had our Wedding at the Ambassador on the 2/6/16 and would highly recommend anyone looking for a hotel for a civil ceremony or reception to consider this beautiful hotel! From start to finish we dealt with Gillian O'Mahony and this woman is like the fairy godmother for wedding planning!

From our first initial meeting at the hotels wedding showcase we both fell in love when she showed us around and booked the very next day!! She helped to calm my nerves (a lot!) And took care of any special requirements we needed as we were also getting married there and had the ceremony and reception room beautifully decorated! Quotes from family and friends were that it was like a fairy tail! Everyone was raving about the food it was delicious!

The bridal suite was beautiful and had stunning views of the city. Our guests had a very relaxed time at the drinks reception as they got to enjoy the beautiful weather outside. The staff we dealt with were so friendly and professional we would both like to thank Gillian, April, Alex, Denis, Graham, Dillon, David and Edel and the rest of the staff for their hard work on our amazing day and our wonderful stay at the Ambassador! We look forward to our next stay!

### **Juila & Robert - August 2015**

Words can barely describe how wonderful our special day was. Colm and his entire staff waited on us hand and foot, nothing was too much trouble, they even organised the sunshine. Our guests are still talking about the food and service they received. We would recommend this to anyone who is looking for that special service.
